GRAND SPORTS BAR RAISE FUNDS FOR WINGS

The Grand Sports Bar staff and patrons have been busy raising funds for local charity *Wings for Kids Sunraysia Mallee Inc* through Friday night raffles and Saturday sausage sizzles.

So far the team has raised in excess of \$4000.00, which puts us well on our way to achieving our \$10,000 target by the end of the year.

So please drop around to the Sports Bar on Friday night (Members Night) or Saturday and help this worthy cause.

NEWS FROM GALLERY 25

The current exhibition at Gallery 25 is a witty installation of works by Mornington Peninsula artist Michael Bladen.

Cumulous Concretus, as the exhibition is entitled, features the Cloud Capture Contraption which ironically captures clouds outside Michael's home and compresses them into concrete. He's kindly mounted them onto a vinyl tile and framed them for us to buy and to hang on our walls. Don't forget that while not every cloud has a silver lining, it would be a pity to miss out on this display and the opportunity to buy your own cloud.

Exhibition dates May 10 – June 11.

Upcoming exhibition:

Annabelle Collett
Disruptive Pattern Syndrome
Similarity and difference

Opening Thursday 14th June, 6pm – 7.30 ALL WELCOME

Join us at our next show which will feature the work of Adelaide artist Annabelle Collett who is well known in Mildura for her much loved fruit picker's skirts which have in the past frocked up the date palms near the arts centre during festival time. Her work is textile based, colourful, quirky and political. Join us at the opening.
